Kelsey Nickel	Qitiqliq School	Arviat
Jordan Simms	Maani Ulujuk School	Rankin Inlet

The Kivalliq Science Educators' Community invites the Kivalliq Schools listed above to attend Regional Science Fair to be held at Sakku School in Coral Harbour, March 15-18, 2013. Each school may send a delegation of one teacher and four students. This fair will involve about fifty participants (students, teachers, and community members) representing each of the Kivalliq communities. The Kivalliq Delegation to the Canada-Wide Science Fair (Lethbridge, Alberta, May 11-18) will be selected at this event.

The school registration fee for the Kivalliq Regional Science Fair is \$1000. Payment should be made out to the Kivalliq Science Educators Community and submitted to the Treasurer during the AGM, held during the Fair. An income tax receipt will be issued at this time. Each school is also responsible for substitute teacher costs incurred for this event as well as travel to and from their home airport. KSEC covers all air travel, insurance, and meals during this event.

In the event of weather-related flight interruptions, KSEC will take steps to arrange billeting for stranded teachers and students. In these circumstances, KSEC will cover food cost and accommodation costs, where unavoidable.
